

NSW Export Capability Program

The NSW Government invites you to an advanced exporting workshop in Tamworth. This workshop aims to help exporters looking for the next opportunity.

This workshop is designed for regional NSW export-ready businesses to prepare for expanding their business into the ASEAN markets.

The workshop will cover:

- » welcome by the NSW Government
- » how to develop and implement a comprehensive market entry strategy for ASEAN markets (presented by Asialink Business)
- » expert tips on e-commerce (presented by Austrade)
- » Q&A

Who should attend?

- » Export-ready businesses looking to develop a growth plan to extend beyond the domestic market
- » Existing exporters looking for the next opportunity
