

BOER GOAT BREEDERS' ASSOCIATION OF AUSTRALIA

Boer Goats - How can I advance my Stud?

Full DAY WORKSHOP 11th April, 2021

Strzboer Goat Stud
6139 Murray Valley Hwy - Cohuna, Vic

BGBAA will be conducting a Workshop for breeders aiming to looking at the next step in their Stud production. It will include experienced breeders sharing their knowledge of the breed standard and advanced farm management.

It will cover such topics as:

Breed Standard - Selecting traits to improve your herd
Nutrition and pasture management
Forum based discussion on AI and ET and breeders sharing their knowledge

This Workshop complements "Starting in Boer Goats" which provides an introduction to issues that are important to the breeding of goats. This introductory Workshop will be held at Strzboer Goat Stud on 10th April 2021.
